

#NCTMp2a

#NCTMp2A is a one question-a-day Twitter conversation surrounding the book: Principles to Actions.

Every weekday a moderator posts one question on Twitter using the hashtag #NCTMp2a. Throughout the day people respond both to the question and to each other. We want to become better teachers and we want to develop a community which will help us get there.

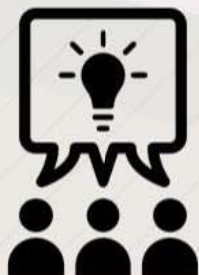

Discussion starts
December 28, 2015.

Questions?
Tweet them to
@lisabej_manitou
@abusch38 or
